20 March 2020

Dear Parents/Carers,

STOCKPORT MUSIC SERVICE LESSONS

In these uncertain times, the Music Service, just like schools, will be doing our utmost to continue your child's music provision with resources and online lessons. We anticipate that these sessions might take the form of pre-recorded videos, emailed resources, video tuition and links to other websites with valuable resources. We are currently looking how to do this successfully and safely and will send out further information once these processes have been completed, hopefully by the end of next week at the latest.

In all instances, we will email resource details or a link for video lessons to a parent's email address, so we would be grateful if you could provide the office with the information requested below so that we can continue to support your child and keep you informed at this time.

Please email the details requested below to music.service@stockport.gov.uk or post to the office using the address shown above and we look forward to hearing from you.

Kind regards,

Craig Eastwood
Head of Music Service
