

Moss Hey Primary School Year Four Home Learning

You will find a selection of home learning activities for your child below. Evidence suggests that at primary school level there are two things which make the greatest difference to your attainment linked to home learning:

1. Reading regularly with an adult and discussing what you have read
2. Regular times table practice

English Tasks

Pobble 365

Each day visit www.pobble365.com for an obscure, wonderful and thought-provoking image that will inspire you to write creatively. You can answer the questions underneath the image for each day; improve the 'sick' sentences that are given – a quick, simple and fun way to cover that grammar, punctuation or spelling objective; attack the sentence challenge either as revision for what you have been learning in school and to finish with, create a short/extended story using the story starter provided. 1. Story starter task 2. Sentence challenge! 3. Question Time! 4. Sick sentences

Spellings

There are **new** Red, Amber and Green spelling sheets on the blog for the next 6 weeks, choose which sheet you would like to challenge yourself with and have a go at practising your spellings each week. Test yourself on a Friday and see how many words you can get correct. Can you use each of your words in some silly sentences or even create a story with them? Share them on ClassDojo so we can all enjoy them

Descriptive Writing

The world is a quite a different place at the moment but there are also lots of positives. It has given us lots of time to think and enjoy spending time with our family. I would like you to think of some different things you would wish for at the moment. It could be to hug your grandparents, to see your friends to play with them in the park, it could be to visit family abroad or to go back to your gymnastics club.

I'd like you to create a poem named 'I Wish...' and include some of your own wishes. You could start each sentence with 'I wish...' and make it quite repetitive or be creative and do it in any way you would like. Why not write it up on nice paper, or on the computer, then decorate your poem? You could even record yourself reading your poem to share it on ClassDojo.

National Oak Academy

<https://www.thenational.academy/online-classroom/year-4/english/#subjects>

Follow this link to find online lessons for the week. Complete the Poetry lessons which will help with your descriptive writing task above. Make sure you are listening carefully as the teacher explains the tasks and activities to complete.

Reading

Complete the Reading Comprehension tasks on the blog and there are answers for them as well. I have attached Year 3, 4 and 5 reading comprehensions so you can all challenge yourselves.

Class Project

Thank you to everyone who sent in their pictures; they were brilliant! I hope you enjoyed watching the video with your parents and here below are all your amazing pictures in one big picture!

Now, write a letter or two to other people in our class and deliver them following social distancing rules. What would you like to tell them? What questions could you ask them? Make sure you write who it is from so they can send you a letter back!

Why not write me a letter and drop it at school? You can tell me all about your time at home over Lockdown, asking me any questions you would like and I will reply to any letters that I get sent; it would be great to hear from you all!

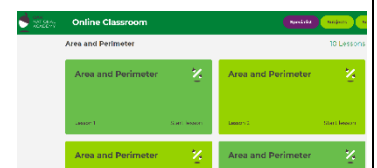

Maths Tasks

Head to Mathletics and complete some of the activities. There are a range of activities and games that you can play to develop your Maths.

Take on the challenges on TT Rockstars and see what score you can get. Good luck!

National Oak Academy <https://www.thenational.academy/online-classroom/year-4/maths/#subjects> Follow this link to complete work on Area and Perimeter.

There are 10 lessons that you can complete throughout the week and make sure you are listening carefully as the teacher explains the tasks and activities to complete.

Complete the Perimeter of Rectangles worksheet. Can you find the perimeter of some rectangles around your house?

Complete the Area of a Shape worksheet. How many different ways can you find the area of a shape?

Theme Tasks

Complete the Rivers around the World Reading Comprehension task. There are 3 different level of challenge within the sheet so decide whether you want to complete Red, Amber or Green. Answers are included for each sheet.

Choose a River from around the World after looking at the Fact Posters. Which river interests you the most? Have you visited any of them before? Create an information booklet all about that river finding interesting facts and reasons why people might want to visit it.

Science Tasks

Electricity is all around us, but how much do you know about it already? Complete the Mind Map sheet to note down anything that you already know about electricity.

Is electricity always essential? How do we know if it is? Complete the Essential or Non-Essential sheet during one day to help you identify whether it is and then write up a short paragraph about how often you use electricity.

Complete the Electricity Wordsearch to help you start to understand more about it. On the first sheet, the words are at the bottom to help you, or complete the second sheet if you really want to challenge yourself! Answers are included on the last sheet.

Ongoing Weekly Tasks

BBC Bitesize- They have released some great lessons with teachers that the children can access and follow through independently.

TT Rockstars- Online timestable practise. Check out the battles on there! Who will win, the boys or girls?

Mathletics- You should have your login details from ClassDojo so login and complete some of the work set and play some games. I will add more things on here throughout the week.

Oxford Owl - Online ebooks which match your child's reading book band.

Classroom Secrets - Online activities that your child can access.

White Rose Maths- This is the scheme we follow in school and they continue to update it with activities that can be completed at home.

Spelling/phonics- related to your year group or what you are covering in school.

ICT Games - Interactive Maths and English games.

Once Upon a Picture - A selection of interesting images which can inspire your child to write. It could be a story, a recount, a set of instructions, whatever motivates your child.

Roy the Zebra - Interactive reading games.

Topmarks - A range of interactive activities for all subject areas throughout the curriculum.
