

Moss Hey Primary School
Year Four Home Learning

You will find a selection of home learning activities for your child below. Evidence suggests that at primary school level there are two things which make the greatest difference to your attainment linked to home learning:

1. Reading regularly with an adult and discussing what you have read
2. Regular times table practice

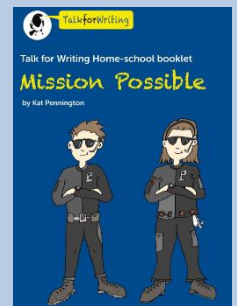

There is a range of activities on this sheet for you to choose from and you are not expected to complete them all throughout the week.

Please decide which activities you would like to do, make sure you do something which makes you happy each day and if you have any questions, please get in touch on ClassDojo.

English Tasks

Talk 4 Writing: Mission Possible

Have you ever wanted to go on an adventure? Have you ever wanted to be a spy? Well this booklet is all about two twins who have a special secret. By reading this story, you will learn their spy-licious secret and build your way to writing your own adventure story by working through the different activities. Have fun!

Spellings

Choose your challenge and have a go at practising your spellings each week. Test yourself on a Friday and see how many words you can get correct. Can you use each of your words in some silly sentences or even create a story with them? Share them on ClassDojo or Seesaw so we can all enjoy them!

Reading

This year, there should have been lots of sporting events happening but unfortunately, they have had to be cancelled or postponed. Complete the 3 Reading Comprehensions on Wimbledon, The Tour de France and The Olympics. Which sporting events are you most looking forward to happening. Each Reading Comprehension is differentiated so choose which challenge you would like to complete by looking at the stars at the bottom.

End of Year Memories

As we move towards the end of Year 4, I would like you to start thinking about what your favourite memories of the year have been. Was it visiting to Lyme Park to meeting our Linking School, dressing up as a Roman for the day in Chester, recording our first music video, performing at the Harvest Festival or our Science experiment with eggs?

National Oak Academy

Remember to use the online activities and lessons on National Oak Academy if you would like more online content that you can access.

Maths Tasks

Head to Mathletics and complete some of the activities. There are a range of activities and games that you can play to develop your Maths.

Take on the challenges on TT Rockstars and see what score you can get. Can you beat Year 3, 5 or 6? Can the teachers manage to topple your scores? Good luck!

TT Rockstar Shout Out!

Well done to everyone who has played on TT Rockstars this week, there are some very impressive scores being posted! You won all your battles against Year 3, Year 5, Year 6 and the Teachers! Can you keep it up next week?

Year 4	16,078	7,920	Year 5
Year 4	16,078	4,670	Year 6
Year 4 Boys	15,313	765	Year 4 Girls
Year 4	16,078	3,884	Year 3
Teachers	5,985	16,078	Year 4

Get those times table brains ticking and those fingers moving quickly to beat them this week! Why not play in Studio to see if your speed has improved? Or play Multiplayer Festival to test yourself against others from around the country!

Well done to Tom H, Max, Harry, Daniel C, Robyn, Leo, Sam, Jack, Zac, Miles, Thomas R, Archie, Gretel and Grace who all earned lots of coins this week!

Harry managed to earn over 56,000 coins last week, wow! Can anyone improve on that score this week?

Recap Time by playing some of these online games: <https://www.topmarks.co.uk/Search.aspx?q=time>

Summer Activity Booklet

Work through the Maths Summer Activity Booklet that has a range of activities in it, including work on your times tables, fractions, problem solving and coordinates. Share your favourite activity that you enjoyed completing on Seesaw.

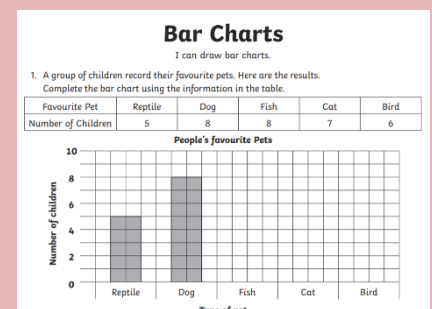

We are beginning to look at charts this week, so play some of these online games to recap and look at different charts: <https://www.topmarks.co.uk/maths-games/7-11-years/data-handling>

Interpreting Charts

Complete the Interpreting Charts worksheets which looks at favourite fruit, colour and class pets. Answer the questions for each Bar Chart and then create some of your own questions to go with each Bar Chart

Drawing Bar Charts

Once you have completed the Interpreting Charts sheet, now choose a Red (1), Amber (2) or Green (3) Challenge (number of stars at the bottom) and upload your work on Seesaw.

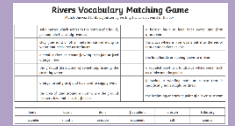

Theme Tasks

Rivers have many different uses and are used by many different people. Use the PowerPoint 'How Do We Use Rivers' and complete the activity sheet with it.

As we have been looking at Rivers for a few weeks now, have a go at matching the River Vocab Sheet. Can you do it without looking back at your previous work or researching it on the computer? What can you remember? There are 3 differentiated sheets so choose the challenge which suits you.

Rivers Vocabulary Matching Game	
1. A large body of water that flows in a channel.	A. A large body of water that flows in a channel.
2. A small stream that flows into a larger river.	B. A small stream that flows into a larger river.
3. A large body of water that is surrounded by land.	C. A large body of water that is surrounded by land.
4. A large body of water that is used for transport.	D. A large body of water that is used for transport.
5. A large body of water that is used for fishing.	E. A large body of water that is used for fishing.
6. A large body of water that is used for irrigation.	F. A large body of water that is used for irrigation.
7. A large body of water that is used for recreation.	G. A large body of water that is used for recreation.
8. A large body of water that is used for drinking.	H. A large body of water that is used for drinking.
9. A large body of water that is used for power generation.	I. A large body of water that is used for power generation.
10. A large body of water that is used for transport.	J. A large body of water that is used for transport.

Complete some of the activities and games on the Canal and River Trust website

Ongoing Weekly Tasks

BBC Bitesize- They have released some great lessons with teachers that the children can access and follow through independently.

TT Rockstars- Online timestable practise. Check out the battles on there! Who will win, the boys or girls?

Mathletics- You should have your login details from ClassDojo so login and complete some of the work set and play some games. I will add more things on here throughout the week.

Oxford Owl - Online ebooks which match your child's reading book band.

Classroom Secrets - Online activities that your child can access.

White Rose Maths- This is the scheme we follow in school and they continue to update it with activities that can be completed at home.

Spelling/phonics- related to your year group or what you are covering in school.

ICT Games - Interactive Maths and English games.

Once Upon a Picture - A selection of interesting images which can inspire your child to write. It could be a story, a recount, a set of instructions, whatever motivates your child.

Roy the Zebra - Interactive reading games.

Topmarks - A range of interactive activities for all subject areas throughout the curriculum.
